The After School Children's Club is a project aimed at children whose parents are both working, or is away most of the time taking care of a sick relative, etc. We plan to provide an area where children lacking the necessary care and attention during the afternoon can play and have a healthy lifestyle.

This project is being funded not only through the Nursery Fees paid by the parents, but also by the public funds from the City and Prefectural Governments. Only children who fall under the conditions and apply are able to use our services.

In regards to this matter, to ensure the understanding of this project's objectives and the proper usage of the system, read the following carefully and please put a ✓ mark inside the □ and sign the parent/guardian's name and seal (inkan.)

We hope for your cooperation in ensuring the right management of this system.
